Byrne/Wiacek
Guest-starring Iron Man, Mr. Fantastic and the Invisible Woman as they join Namor to try to save metropolitan New York from a deadly oil spill.

Sorcery and *murder*

The art is murder. Vlad Taltos is a master of the craft.

On his world, witchcraft and sorcery are the means of acquiring wealth and position. Loiosh, his trusted companion (with whom he shares a psychic link) is a dragon or "Jhereg."

Jhereg" is the new Epic Comics graphic novel adapting the phenomenally popular fantasy book by Steven Brust.

The 48-page work is written by Alan Zelenetz and fully painted by John Pierard, well-known for his artwork in *Isaac Asimov's Science Fiction Magazine* and others.

Though Taltos is the finest killer to be found, he faces a challenge that may be beyond his talents - a man who may prove to be unkillable.

Taltos must succeed, though, or his world may be engulfed in devastating clan *war*.

RoboCop vs. RoboCop

Detroit's police are on strike and it's up to RoboCop and his partner, Lewis, to stop the new drug gang terrorizing the city.

To make matters *worse*, RoboCop is sabotaged - by his own superiors!

On top of it all, OCP is trying to develop a new, state-of-the-art cyborg. In doing so, they produce a greater threat than they could have imagined.

RoboCop 2 will appear in three...count 'em...*three* versions: the 64-page, full-color bookshelf edition, the black & white magazine, and a three-issue comic book limited series.

Based on the Frank Miller screenplay, this special is written by Alan Grant, penciled by Mark Bagley and inked by Tony DeZuniga. Each edition has its own specially-prepared cover.

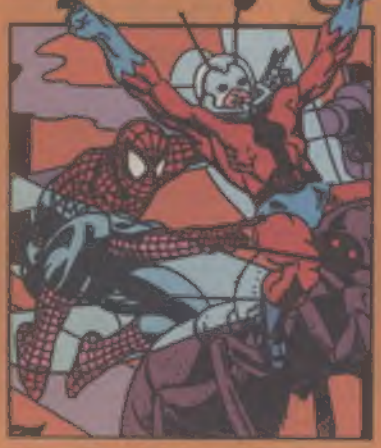
(Week continued on next page)

Spidey gets *down!*



He's got the *speed* of a Spider, the proportionate *strength* of a spider, and now, the *size* of a spider.

Spidey is exposed to Dr. Pym's shrinking element. He shrinks *uncontrollably*, and even Ant Man can't stop the process as the web-slinger shrinks into the micro-world of Psycho Man!

"Spider-Man's Totally Tiny Adventure" in all three Spider-Man annuals (weekly this month) is the *weirdest* tale since the Capt. Universe saga. Classic Spidey artist *Gil Kane* returns to illustrate parts 1 and 3.

STALKING A SPIDER-HERO

Someone is stalking Spider-Man - trying to kill him.

The mysterious mastermind has a deadly pawn - the Lizard, more savage than ever and dedicated to his mission of revenge.

This begins the *first* epic to appear in the pages of the new Spidey title. Each new storyline will be a taut, fast-paced, multi-part adventure.

To launch the series, we've created two different covers for *Spider-Man #1*. In addition to the regular edition, there will be a silver-cover edition available only in comic book stores.

As an added gift, we're pre-bagging a limited number of each edition for *really* serious collectors. Reserve yours now.

(Week continued on next page)

The *original* super-soldier

Capt. America vs. the Third Reich

Even before the United States entered World War II, there was Captain America, belting Hitler in the chops on the cover of *Captain America Comics #1*.

Half a century ago Joe Simon and Jack Kirby began the legend, with bizarre villains like the Red Skull, Ivan the Terrible, the Circus of Crime and many more.

For the first time in five decades these incredible issues are within reach of all readers.

Simon & Kirby's first ten issues are among the most valuable collectors' item comics, too expensive for almost every fan...until now.

This month, kicking off Cap's golden anniversary, we present a two-volume hardcover collection of *Captain America Comics #1-10* in a special protective slipcase.

Now you can share the *original* World War II adventure again for the first time.

It's a story of two men whose skin color puts them world's apart.

But Vietnam thrusts them close together, and their hatred makes them bitter enemies.

Intensive research and natural talent make Jacqueline the perfect person to create this tense drama that only *The 'Nam* could offer.
